**VI. Old Business:**

**a) Bond Resolution for GreenBox Systems, LLC (Project Eagle)-at RiverPark:**

Director White reminded the Board of the history of Greenbox's decision to locate in Butts County, and he and Authority Attorney, Kevin Brown, explained the terms of the Bond Resolution for the project. Director White reminded the Board that a \$750,000 Edge Grant was included as part of the State's incentive package for GreenBox Systems, but that the Authority must still make an application for the grant through the One Georgia Authority/Georgia Department of Community Affairs. Authority Attorney Brown added that the bond amount was increased slightly over the original reported personal property investment amount to accommodate rising costs over the term of the agreement, which – he noted – is usually the case. Mr. Palmer stated that his clients were excited to locate in Butts County and were looking forward to working with the Development Authority and the community.

A motion was made by Mr. Fisher, seconded by Ms. Washington, to approve the Bond Resolution as presented and to authorize the chair and secretary to execute bond documents, as necessary. The motion was unanimously approved.
